This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Pennsylvania Medical Society and the Regional Council of Child and Adolescent Psychiatry of Eastern Pennsylvania and Southern New Jersey. The Pennsylvania Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

The Pennsylvania Medical Society designates this live activity for a maximum of **6.0 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The planning committee of the Regional Council of Child and Adolescent Psychiatry of Eastern Pennsylvania and Southern New Jersey has determined that 6.0 credit hours of this program may qualify for patient safety/risk management licensure requirements.

Educational Objectives: At the conclusion of this program, participants should be able to:

1. Assess and consider the developmental pathways and abuse patterns of adolescent and young adults with substance use disorders before designing treatment plans
2. Consider the impact of cannabis and high-risk alcohol consumption on academic achievement, learning, memory, attention, and critical thinking in students with substance use disorder and implement strategies to promote student success.
3. Consider the use of buprenorphine and extended-release naltrexone when treating youth with opioid addiction
4. Improve communications with patients regarding the proven scientific dangers of marijuana.

Intended Audience:

This program will benefit Parents and Psychologists, Social Workers, Mental Health Counselors, Educators, Principals, Teachers, Graduate Students, and other Practitioners within mental health and education who provide direct services and/or parent/teacher consultation for this population.
